“The Email Newsletter Business”

Who could be interested? Someone who...

- wants a home-based business with all the lifestyle choices it offers - perhaps a Mum or someone wanting to become a parent soon.
- wants to add another income stream to an existing business.
- wants a new exciting learning curve that will also earn them money.
- wants to use their creativity and are computer savvy.
- wants flexibility, even to travel and earn an income.

All training is provided with systems and procedures in place plus heaps of support and marketing assistance.

This is a limited license opportunity (we do not want to saturate an area). Entry and set-up expenses are low but there is a high net profit (approx. 70%).

Find out how you can be part of this exciting opportunity ...
